Yeah, high customer risk. I'm still happy to say it's a high customer risk. Q. Are you familiar with a charity in the U.K. known as the Prince's Trust? A. I am. Q. It's a charity? A. It is. Q. Therefore as you use these terms a bank should regard the Prince's Trust as presenting a high customer risk, correct? A. Yes. Q. Look at paragraph 14 and read that to yourself. Before you do that, can I just ask you another question. Isn't there a charity in the U.K. for the benefit of retired members or injured members of the Metropolitan Police Service? A. I think there is a number of	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	WALTERS A. It is. Q. Therefore its bankers should recognize it as presenting a high customer risk, correct? A. And then review it accordingly and assess it against all the other criteria. Q. Did you read paragraph 14 to yourself yet? A. I did. Q. These facts that you describe here were based on your review of the record known to U.K. law enforcement when it investigated Interpal, correct? A. Could you repeat that question? Q. The fact that you identify here that Interpal aggregated small deposits, sent wire transfers of larger amounts to entities abroad including many in the Palestinian territories, etc., etc., those facts based on the disclosures that you read were known to U.K. law enforcement, correct? A. Not all of the information that I have looked at was known to U.K. law
